WORK EXPERIENCE

Digital Marketing Capstone Project.

TS Academy. September, 2026

- Developed a Go-To-Market strategy for Chowdeck covering customer acquisition, retention, positioning and competitive analysis.
- Created the “No Time? Chow It.” campaign, including target audience, messaging, digital channels and campaign asset.
- Developed a marketing budget, KPI framework and 90-day growth roadmap for campaign execution and optimisation.

Social Media Manager.
Relufetv - April, 2026 - Present.

- Develop and execute social media content strategies across Instagram, TikTok, X and YouTube.
- Create and manage engaging content, including captions, reels, entertainment content, carousels and event coverage.
- Manage live/event social media coverage, capturing and publishing real-time moments to increase audience engagement.
- Monitor social media analytics and performance to identify trends and improve content strategy.

Social Media Manager.
InfoNine
June 2024 - September, 2025

- I crafted contents that simplified the project's mission for easy audience connection.
- I wrote informative captions to educate the public on InfoNine's Goal and social impact.
- Managed engagements through comments, reposts and DM responses before the event, during and after the event.
